

WESTERN WELCOME WEEK GRAND PARADE

Saturday, August 19, 2023

Dear WWW Parade Participant:

On behalf of the Western Welcome Week Grand Parade Committee and Grand Parade Sponsors - Bradford Auto Body, Inc., Lang Investment Group, Redstone Bank, and John Elway Dealership Group, we want to welcome you to the 95th Western Welcome Week celebration and confirm your entry in the WWW Grand Parade “*Saddle Up!*”.

The Grand Parade route is one mile long, beginning at Gallup Street and Littleton Boulevard, west on Littleton Boulevard through downtown Littleton, turning south on Rapp Street and ending at Arapahoe Community College for disbanding. Please see the attached map and other directions. **Parking is limited at the parade staging.** Buses will be circulating from Arapahoe Community College to the parade staging beginning at 8am and ending at 9:15am they will then be available after the parade at Arapahoe Community College to take people back to the staging area to their vehicles if needed.

Staging will begin at 8am - **last check in is at 9:30am.** If you are in a group, please tell your people to meet at a designated spot and assign one person to check in. Then you can all proceed to your assigned spot in the parade. The enclosed map and directions will help you determine the best way to plan your arrival and meeting place. Please keep in mind there is minimal parking at the staging area.

You will receive your entry number and place of staging at the check-in station, located Gallup and Library Lane. We regret that we cannot give out position numbers before hand, but last-minute changes prevent us from doing so. Also, we wish we could put everyone in the front of the parade, but unfortunately, that’s not possible. Please be understanding of your position in the parade, and of our efforts to mix entries for a fun and interesting parade. We would appreciate it if you would not call the Western Welcome Week office and request your parade number. Thank you!

At approximately 9:15am you will be contacted by a parade official that will direct your unit to its parade position, if you haven’t already been positioned. **Please maintain at least 15 feet between parade entries** - kind of like tail gating, please don’t do it. There will be Parade Marshals along the parade route to assist you in keeping proper spacing along the route and ensure that nothing is being thrown or handed out from your entry.

IT IS IMPORTANT THAT MANEUVERS DO NOT SLOW OR IMPEDE THE FORWARD MOVEMENT OF THE PARADE. Please be aware that the parade proceeds down the North side of Littleton Boulevard. The maximum width of the street between Rio Grand and Rapp Street is 24 feet.

Due to insurance regulations and safety issues, YOU MAY NOT THROW OR HAND OUT ANYTHING DURING THE PARADE OR ON THE PARADE ROUTE. Entries not adhering to this rule could be pulled from the parade. We are expecting 60,000+ spectators to watch the parade and want to make sure that we have a steady paced, safe parade for everyone to enjoy. Destaging will be in the parking lot at Arapahoe Community College, on Church and Santa Fe Drive.

Announcement of winners will be posted at 1pm at the WWW Information Booth located on the NW corner of Main and Nevada Streets. Monetary awards will be mailed out by the end of August. Certificates will be mailed to winners of each parade category.

Plan to join us for fun after the parade. The festivities continue with the Craft Fair, family entertainment stage, food booths, live music at Town Hall Arts Center, and other festivities throughout the afternoon.

Thank you for being a participant in the 94th Western Welcome Week Grand Parade – *Saddle Up!*

See you at the parade!
